HOW TO ORDER

Our **Standard Line** products promote increased recognition of your organization's identity with more options to help you create a custom look. Your organization's logo may be added to any of our Standard Line checks and forms at no additional charge.

* Only available for Standard Line checks

Add your organization's logo to the background

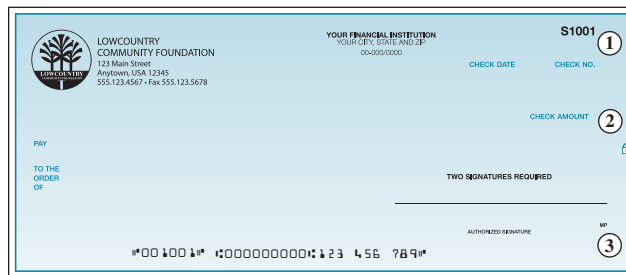

Select one of six check borders*

Differentiate between two or more accounts by adding an alpha-numeric prefix to your check number

Choose one of six background designs*

Add an extra signature line or text over the signature line

CHECK SECURITY

- ① **Paper** includes safety stain feature to indicate chemical tampering
- ② **Padlock icon & warning border** directs reader to back for checklist of security features
- ③ **Micro-print signature line** becomes unreadable if document is copied or altered
- ④ **Security screen** on the back of each original document includes a screened-back security seal
- ⑤ **Security checklist** of all security features are listed on the back of each check

Fraud Deterrent Tips

- Reconcile checks and accounts promptly
- Treat negotiable documents like cash
- Centralize check processing
- Limit the number of authorized check signers
