## Account Home Page: Name and Recognition Tile ..... 2

This guide lists new features available in *eTapestry* 7.42.0, released on July 22, 2018.

## Account Home Page: Name and Recognition Tile

You can now select to include the Name and Recognition tile on the account Home page to view an account's name and recognition information. This tile was formerly the Recognition tile.

The screenshot shows a window titled "Name and Recognition" with a close button (X) and a grid icon. The content is organized into two sections. The first section lists name-related fields: Name Format (Individual), Account Name (Patty Smith), Sort Name (Smith, Patty), First Name (Patty), and Last Name (Smith). The second section lists recognition-related fields: Recognition Type (Use Account Name) and Recognition (Patty Smith).

Name Format:	Individual
Account Name:	Patty Smith
Sort Name:	Smith, Patty
First Name:	Patty
Last Name:	Smith
Recognition Type: Use Account Name	
Recognition:	Patty Smith

From the account Home page, click **Select Tiles and Layout**. Under **Select Tiles, My Database** select the **Name and Recognition** check box. Click **Save** under **Tasks** to save your selections. The Name and Recognition tile now appears on the account Home page.

For more information on how to customize the account Home page, see [Custom Account Home Page and Header](#).
