

Smart Tuition

Addendum

Appointment of Agent. You hereby appoint Smart Tuition as its limited agent for the purpose of billing and accepting payments from its Families (“Family” or “Families”) on Your behalf. School agrees to enroll Families in the Smart Tuition program.

Smart Tuition Payment Services Addendum. You agree that Your use of Smart Tuition Payment Services shall be governed by the Smart Tuition Payment Services Addendum attached hereto.

Payments Received from Families. You further agree that payment made by a Family to Smart Tuition acting on Your behalf shall be considered the same as a payment made directly to You, and You shall treat such Family as if payment has been received. You shall have no recourse against any Family for any amounts received by Smart Tuition from such Family. You understand that Smart Tuition provides only for the remittance of funds paid by Families and does not guarantee the payment of such funds until such time as funds are received by Smart Tuition from Families.

Authorized Representatives. Our service representatives are instructed to provide information to, and accept instructions from, only Your employees who have been specifically authorized by You in writing to work with Us. Our representatives are also instructed to share payment and delinquency information only with the parent(s) or guardian(s) named on the Family account.

Privacy. We may collect information when You visit Our site through the use of cookies. We also receive and record information on our server logs from Your browser including your IP address, cookie information and the page(s) you have visited.

Processing Delays. We will exercise reasonable care to ensure no delay in processing payments; however, We are not liable for any failure to perform Our obligations if prevented from doing so by a cause(s) beyond Our reasonable control.

Family Bankruptcy. Upon notification of a bankruptcy involving a Family, We will forward the applicable notice to You and take no further action to collect the debt in accordance with applicable laws.

Family Refunds. Smart Tuition does not issue refunds to Families. Overpayments will be carried on to Family accounts and credited to future tuition payments. All reimbursements or refunds must be arranged by You in accordance with Your refund policy.

Partial Year Participation. Our administrative fee (“Administrative Fees” or “Administrative Fees”) are due upon enrollment or account activation and is deemed to be fully earned at that time. Administrative Fees are non-refundable. For customers that choose to display the Administrative Fee to Families, We deduct this

Administrative Fee upon Family enrollment. If School does not display the Administrative Fee to Families, We deduct the Administrative Fee upon account creation from Your next remittance. If You decide to withdraw from Our program during a school year after submitting enrollments or creating accounts for that school year, you may instruct Us to close all plans; however, any Administrative Fees collected will be retained by Us.

Low Participation Schools. We require that You provide a minimum of 50 Families who pay the Administrative Fee each School Year. In the event that fewer than 50 Families pay tuition through Us, You will be assessed an Administrative Fee of \$50 multiplied by the number of Families to reach the required minimum of 50 Families. This amount will be calculated and deducted from amounts due to You in March of each year and will be reflected on Your School Remittance Report.

End of Year Outstanding Balances. At the end of each school year, You may wish to zero-out accounts with outstanding balances or add those balances to the following school year's accounts. Fees due to Us, however, should not be eliminated. We reserve the right to continue attempts to collect Our Fees.

Standard Funds Transfers. We transfer funds on the 5th, 10th, 15th, 20th, 25th, and 30th of each month. Banks can take several business days to notify Us if the transfers are successful, which is why We transfer funds between 5-10 days after a payment has been processed. Please keep in mind that if a funds transfer date falls on a weekend or a holiday, We will transfer funds the business day prior to such weekend or holiday. We will send You via email a monthly calendar of funds transfer dates based on processing dates and banking holidays.

Interest on Accounts. No interest shall be paid or earned by You, Your students, or tuition payers with respect to any funds We may hold on Your or Their behalf.

Regulatory and Legal Requirements. You should ensure that Your tuition program complies with all federal, state, and local laws and regulations. We make no representations or warranties regarding the applicability of such laws to Your tuition program, including without limitation, the Truth in Lending Act, the Equal Credit Opportunity Act, and the Fair Debt Collection Practices Act. You are also responsible for collecting and paying all required local or state taxes on purchased items sold through any Smart Tuition module.

Fees. The following fees apply to Your Smart Tuition Subscription:

Administrative Fees

Display Schools

For "Display" schools that reveal Our Administrative Fee to Families, the Administrative Fee is due from the Family upon first payment.

Non-Display Schools

If You do not display Our Administrative Fee to Families, We will withhold the corresponding Administrative Fee from the School upon first remittance after the payer's first payment.

Any Administrative Fee that goes unpaid will be withheld on the last remittance in November.

Administrative Fee Amounts: We charge a standard \$50.00 for any payment plan with two or more months. For single-payment annual plans with no additional fees or payments billed or collected, We collect a standard annual Administrative Fee of \$20.00. These Administrative Fees are due upon enrollment. Families who have already paid-in-full prior to You sending in their enrollment forms (Schools may choose to track all Families on Smart Tuition for bookkeeping purposes) are charged a bookkeeping fee ("Bookkeeping Fee"). This Bookkeeping Fee is withheld from Your next transfer from Us. Administrative Fees are non-refundable.

Payments Sent Directly to Smart Tuition: When a Family sends a payment directly to Us, Our Administrative Fee is withheld in the same remittance that includes the Family's payment, if Our Administrative Fee is not paid during the enrollment (or re-enrollment) process.

In-School Payments: If a payment is made directly to You and posted as an In-School payment, Our Administrative Fee will be withheld from the next scheduled remittance, if Our Administrative Fee is not paid during the enrollment (or re-enrollment) process.

Paid-in-Full Accounts: In some cases, You may wish to include accounts on Our system that have been paid in full. Once these accounts have been established, Our Administrative Fee will be withheld from the next scheduled remittance. As outlined above, if two or more invoices are sent to a Paid-in-Full Family for tuition or fees, the \$50.00 Administrative Fee applies. The balance of Our Administrative Fee will be withheld from the next scheduled remittance.

Standard Returned or Failed Payment Fees

We pass on charges to cover the additional processing fees and costs associated with failed payments. Our fees for failed electronic check payments and for returned checks are:

Failed ACH - \$30.00

Returned Check - \$30.00

Credit Card Processing Fees

Our credit card processing fee is 2.85% of the payment amount (“Credit Card Processing Fee” or “Credit Card Processing Fees”). We can accept VISA™, MasterCard™, American Express™, and Discover™ credit and debit cards on Your behalf. When a Family pays by credit or debit card, a Processing Fee will apply.

We provide the following options for Credit Card Processing Fees:

Option 1: You absorb Credit Card Processing Fees. You offer credit card payments and You absorb the 2.85% Credit Card Processing Fees per transaction. Payments received via credit cards are disbursed to You net of the Credit Card Processing Fees.

Option 2: Credit card payments not offered. You can elect to not offer payments in the form of credit or debit cards, and rather accept only mail-in and electronic payments from checking accounts and savings accounts.

Option 3: Credit Card Processing Fees paid by cardholders.* You can elect for the Credit Card Processing Fees of 2.85% on credit card payments to be assessed to the paying cardholder.

*Please be advised that charging a cardholder a fee for processing payment via credit or debit card is regulated in some states. We advise You to consult your legal counsel as you consider accepting credit or debit card payments.

Follow Up Fee and School Late Fee

Standard Follow Up Fee

A \$40.00 “Follow Up Fee” will be charged when a Family has missed a payment. We will contact the late Family via phone and/or email and will charge a \$40.00 Follow Up Fee for this service of reminding the Family and collecting payment on the account.

Any payment that is not posted to Our account by the applicable due date is considered late and will receive a “Late Fee”. Late Fees will be assessed to accounts with an outstanding balance of any kind (fees or tuition). Late Fees are assessed the day after a Family misses its due date. A maximum of one Late Fee will be assessed to a delinquent account per month.

You may waive Late Fees as You deem appropriate by reversing Our Follow Up Fee for a maximum of 10% of the number of Families that they have enrolled in the program. For example, if You have 300 plans on Our system, You will be able to reverse 30 Follow Up Fees during the school year.

School Late Fee

If We have agreed to collect Late Fees on Your behalf, You may determine the amount and adjust the amount prior to the beginning of each school year. We will remit Your Late Fee to You on regularly scheduled remittance dates.

EXHIBIT A, STPS

STPS allows you to accept payments via credit card, debit card, and ACH transactions including processing cards bearing the trademarks of Visa®, MasterCard®, Discover®, and American Express® (collectively, the “**Networks**”). Smart Tuition is not a depository institution and does not offer banking services as defined by the United States Department of Treasury. Smart Tuition also does not offer Money Service Business services as defined by the United States Department of Treasury. As a merchant payment processor, Smart Tuition processes payments You receive from Your constituents. In order to serve in this role, We must enter into agreements with Networks, other processors, and banks. These third parties require Smart Tuition’s STPS customers to enter into a Sub-Merchant Agreement with Smart Tuition’s payment processor of record, as set forth in Section 1 below.

1. Sub-Merchant Agreements: Use of STPS requires Client’s acceptance of the relevant Sub-Merchant

Agreements: Vantiv LLC Sub-Merchant Processing Agreement ([Vantiv](#)).

2. Background Checks: Use of STPS requires Client to provide information about Client as may be necessary to enable Smart Tuition to verify Client’s identity including, if applicable, verification of Client’s ownership of its bank account(s) that may be used for payment purposes including deposit of processed funds as required from time to time by anti-money laundering laws, other applicable laws and Smart Tuition’s internal procedures relating to “know your client” and creditworthiness background checks.

3. STPS Processing Fees: The processing fees applicable to STPS (“**STPS Processing Fees**”) are outlined in the Participation Agreement, and may be amended from time to time. Any changes to the STPS Processing Fees shall take effect 30 days following the posting of any such changes. STPS Processing Fees shall apply to all online financial transactions conducted by Client through the use of STPS (including credit card, debit card, and ACH transactions).

4. Disbursements: Smart Tuition may suspend or delay disbursements to Client in order to protect Smart Tuition and Client against the risk of, among other things, existing, potential or anticipated chargebacks, fraud, or Client’s failure to fulfill Client’s responsibilities set forth in this Addendum.

5. Client Direct Deposit ACH Form: Client shall provide Smart Tuition with a completed Authorization Agreement for Direct Deposits (ACH Credits) with Client’s Taxpayer Identification Number (TIN) to permit Smart Tuition to make deposits to Client’s bank account in accordance with Client’s disbursement instructions. Smart Tuition reserves the right to hold on Client’s behalf any funds collected using STPS until Client provides such completed Authorization Agreement to Smart Tuition and the verification of Client’s depository bank account used in connection with STPS.

6. Reconciliation and Charge Backs; Debit of Client Account: Smart Tuition shall perform daily internal reconciliations. Client is responsible for its individual transaction reconciliations for each disbursement cycle. Client is responsible for payment of all chargebacks and associated fees of any kind whatsoever against any merchant account established by Smart Tuition for the purpose of consummating financial transactions conducted on behalf of Client through Smart Tuition Products. For any negative transactions including refunds/chargebacks, Smart Tuition reserves the right to offset such negative transactions against disbursements to Client, or if any disbursement is less than such offset, debit the

Client's bank account the balance of such offset. Client agrees that Smart Tuition may, without prior notice to Client, debit Client's bank account for the full amount of any negative or debit balance including chargebacks and reversals if at the end of any disbursement cycle there is a negative or debit balance in Client's STPS account. If Smart Tuition is unable to collect on Client refunds/chargebacks using offset of Client's disbursement or debit of Client's bank account, Smart Tuition shall have the right to invoice Client any unpaid balance which shall be subject to the lesser of twelve percent (12%) annual interest or the highest interest allowable under applicable law.

7. Transaction Limits: Unless otherwise pre-approved in writing by Smart Tuition, STPS currently has a per transaction limit of \$150,000.

8. Reserve: Client acknowledges that in addition to other rights afforded to Smart Tuition under the Agreement, Smart Tuition, after providing reasonable prior written notice to Client, may establish a reserve account to satisfy any delinquent obligation of Client under any agreement between Client and Smart Tuition (the "**Reserve Account**"). Smart Tuition may (but is not required to) apply funds in the Reserve Account toward, and may set off any funds that would otherwise be payable to Client against, the satisfaction of any amounts which are or become due from Client pursuant to any such agreements. The Reserve Account will not bear interest, and Client will have no right or interest in the funds in the Reserve Account; provided that upon satisfaction of all of Client's obligations under such agreements, Smart Tuition will pay to Client any funds then remaining in the Reserve Account. Any funds in the Reserve Account may be commingled with other funds, and need not be maintained in a separate account. The parties' rights and obligations under this Section shall survive the termination of the Agreement.
