

Blackbaud Employee Giving™ and
Blackbaud Employee Volunteering™

For All the Ways Your Employees Give

Employee engagement programs are increasingly a “have to have” component of strategic corporate responsibility efforts. Blackbaud Employee Giving™ and Blackbaud Employee Volunteering™ is a fully integrated platform that empowers you to maximize employee engagement. Run strategic programs that inspire employees, increase employee satisfaction and retention, serve the communities in which employees live and work, and help make the world a better place.

Maximize participation.

- Provide employees with multiple ways to engage, from volunteering to donations including matching gifts and Dollars for Doers
- Match employees' skills to community needs and build stronger relationships with nonprofits
- Share videos, photos, and progress reports all within the platform. You can even award badges for exceptional employee performance - motivating others to work towards the same type of recognition!

Manage your programs with greater efficiency.

- Our integrated solution lets you manage all of your employee giving and volunteering programs in one place
- Spend more time on strategy and less time on administrative tasks with streamlined tools for program creation and reporting
- Intuitive, easy-to-use, cloud-based platform alleviates the need to manually track employee giving and volunteering efforts

Tell your impact story clearly and powerfully.

- Real-time dashboards and advanced tracking and reporting capabilities give you and your employees constant insight into programs
- Easily quantify results to demonstrate your impact for the causes you support and the communities you serve
- Strengthen your CSR story by detailing your holistic impact. Blackbaud Employee Giving™ and Blackbaud Employee Volunteering™ integrates with Blackbaud Grantmaking™ 360 reporting so you can monitor all of your activities. Attract investors, engage your community, and retain employees.
