

Blackbaud University Curriculum for Financial Edge™

To learn more about Blackbaud University's *Learn*, *Learn More*, and *Learn Everything* training subscription tiers [click here](#).

To view a course description, register for a class, or launch the class, click a course title in the listing below. Courses are listed in each of the topic areas in the order they should be taken. Take the online eLearning *Basics* courses for introductory information, or rely on the instructor-led training for a more in-depth hands-on experience.

Alert: Customers who purchased a *Learn Everything* training subscription prior to 2018 still have access to the *Nonprofit Workshops* now listed on the **Organizational Best Practices** curriculum [datasheet](#).

Note: Thinking about migrating to Financial Edge NXT? To view the complete Financial Edge NXT curriculum [click here](#). The  icon next to the course title in the listing below indicates a class is taught predominantly in web view but is relevant for any product version.

Continuing Professional Education Credit (CPE)

- This curriculum includes opportunities to earn continuing education credits for [CPE](#) and [CFRE](#)
- Choose from 40+ online instructor-led classes
- Earn 3 CPE credits for every course completed

Role-Based Training Paths

Use the **Training Paths** table below to help you determine which courses to take. The course topics are listed in recommended order, beginning with *Fundamentals*. Course titles within each topic are also listed in the recommended order. Each topic identifies one or more occupational roles for which training is recommended. To confirm which occupational roles match your job description, refer to the **Role Description** information that appears below the **Training Paths** table.

To view the courses associated to a training path topic, [return to p. 1](#) and locate the corresponding topic in the course listings table, in the green header bars.
