

## Raiser's Edge NXT Module Services

Consulting services have been purchased to implement one (1) of the modules listed below for **Raiser's Edge NXT**. At the start of the **Raiser's Edge NXT** module implementation, the consultant will confirm which of the following services will be performed as a part of the engagement. If additional services are desired, they must be purchased and a Change Order to this Statement of Work will be necessary.

### Deliverables

Select one (1) module from the following list of services to be delivered.
